

Mister G Stage Plot Duo

- 2 vocal mics (1 wired, 1 wireless)
- 2 boom mic stands
- 3 monitors
- DI for acoustic guitar
- 1 short stand for drum mic
- 1 bass drum mic
- 1 drum mat
- 18" or 20" bass drum (Prefer Yamaha Stage Custom Birch) and kick pedal (prefer Iron Cobra or DW5000)
- Projection screen at indoor venues (if available)

Mister G sets up center stage with Missus G ten feet to the left.

Load-in and soundcheck: Arrive 1.5-2 hours prior to performance. Soundcheck no later than 1 hour before performance.

Lighting requirements: general stage lighting with spots on Mister and Missus G. Venue permitting there would be projection capability for Mister G logo behind performers.

Load-in and advance contact: Katherine Jamieson
